GAME CHANGERS

COURAGEOUS PEOPLE CHANGING THE WORLD

A New Speaker Series in the Heart of the Napa Valley

Game Changers strives to be the Bay Area's most impactful speaker series.

Produced at Lincoln Theater on the grounds of the historic Veterans Home of California in Yountville, these speaker events engage authors, activists, chefs, politicians, winemakers, athletes, comedians, spiritual leaders, and more in conversations that unify and inspire our community.

Each program includes outcome oriented dialogues and interactive learning designed to foster higher levels of consciousness, knowledge, healing, and positive change.

As the Valley's premier home for performing arts and education, Lincoln Theater is a 1,200 seat state-of-the-art venue that brings people together for powerful, shared experiences.

Game Changers is a new signature series at Lincoln Theater with monthly, year-round talks on the first Sunday of the month.

Be a Part of the Lincoln Theater Experience!
